Three Year Gardener's Gratitude Journal

Part Diary, Part Personal Growing Guide

Start recording your growing hits, misses and memories right now

- Track your growing success with this three-year, well-organized layout
- · Benefit from the friendly prompts found at the start of each month
- · Laugh out loud and learn something new while reading the 48 garden good news stories

Order Today \$28.55 at donnabalzer.com

All Local: Written, illustrated, designed and printed in Canada!

Learn: Real-life garden stories teach through "trowel and error"

Record: Tracking your own hits and misses helps you learn from your mistakes, and remember which variety of peas or potatoes were perfect for you

Grow: With organic tips, facts and stories scattered throughout you will understand how good soil really does grow better plants and happier humans!

EVERY GARDENER AND NATURE LOVER BENEFITS
FROM PAYING ATTENTION. THIS JOURNAL LETS YOU
TRACK THE IMPACT OF YOUR GARDEN CHOICES
OVER THREE YEARS

Gratitude Grows Great Gardens!

This is the book that keeps you 'on course' in your garden. By tracking your progress, not only will you see the results, but you will have a fantastic guide of your successes for the next growing season to come! Get journaling...AND gardening with the help of these wonderful experts!"

Carson Arthur, Outdoor Lifestyle Expert, HGTV and Cityline

What Are Your Grateful For?

Bestselling author/horticulturist Donna Balzer and professional gardener/CBC columnist Chelsie Anderson share garden factoids, tell their own good news gardening stories and inspire you to write your own garden memoir, right now, in this journal.
